Product notes & order guidance

22kt yellow gold

Starlight stocks yellow gold open-face denture teeth in shades 59, 66, 69, 81 and OM2 (bleach shade). Other selected stocked gold items are available.

Custom orders

Cutouts, special gold finishes, personalized accents and other custom requests can be discussed directly with our team. Special-order items are non-returnable.

Find the right size

See the downloadable Gold Denture Tooth Size Chart for central, lateral and cuspid references. Confirm sizes with our staff before ordering.

Prices and availability

Gold prices are not published on the website. Contact Starlight to confirm current pricing, quantities and shipping details.
